Podcast Pitch Planning Sheet

Which prompt will you address? What will be the driving question about the podcast you produce?	What will your podcast be about? What info will you cover?	What will your podcast not be about? What will you not cover?

Can you create this podcast alone, or do you need a partner or team? What do you need a team for? What will they do?

Tomorrow we will pitch our podcasts ideas to the class. Use details from all of the sections on the front to write a 1-3 minute pitch for your podcast below.
